Catalina: i slammed/threw it against a wall

Catalina: then agains the ground

Catalina: i felt like stomping on it to

me: maybe you need something you can interact with in a hostile manner without breaking it

Catalina: but i showed a great deal of restraint

me: aside from that old phone

Catalina: no

Catalina: i like it when things break

me: a cat, maybe

Catalina: gives me satisfaction

Catalina: just letting you know im not getting pregnant though

Catalina: not me

Catalina: i prefer extrapolated

me: good, you'd probably smash the damned fetus
